

**SCHOOL DISTRICT OF RIVER FALLS
River Falls, Wisconsin 54022**

**2016-2017 INDOOR ENVIRONMENTAL QUALITY MANAGEMENT PLAN
NOTIFICATION**

School buildings kept in good repair, suitably equipped and in safe and sanitary condition promote a positive learning environment. In accordance with the requirements identified under Wisconsin Statutes 120.12 (5) and 121.02 (1) (i) and Wisconsin Administrative Code PI 8.01 (2) (i), the School District of River Falls will take appropriate steps to provide and maintain safe and healthful facilities.

As required in WI Stat. 118.075 (3) and (4), the Director of Buildings and Grounds will maintain indoor environmental quality (IEQ) in schools. Proper IEQ includes establishment of heating, ventilation and air conditioning (HVAC) systems, moisture control, integrated pest management, cleaning and maintenance schedules, appropriate materials selection, routine building inspections by maintenance personnel, appropriate training of staff, and communication.

The School District of River Falls has adopted an IEQ plan. Questions related to the program should be directed to the Maintenance Department at the School District of River Falls at 715/425-1800.
