

Join Scouting for an adventure of a lifetime.

Cub Scouting is a program that parents and children (Grades K-5) can do together while getting to know other families in your school or neighborhood. Your son will have a blast! The Cub Scout program is a fun and educational experience focused on building character, improving physical fitness, teaching practical skills, and developing a spirit of community service. After Cub Scouting, the boys can transition into boy scouts until age 18. Please contact Jamie Schneider, River Falls Cub Scout Pack 457 Committee Chair for inquiries, rfcubscoutpack457@gmail.com. We have some fun events that your boys could come to over the summer. Most people register in the summer and early fall (but you can register anytime) (<http://www.heroscouts.org/>).

At Girl Scouts, we'll help you unleash your inner G.I.R.L. (Go-getter, Innovator, Risk-taker, Leader)! The Girl Scout Leadership Experience includes a variety of fun and challenging activities, like earning badges, selling cookies, going on exciting trips, exploring the outdoors, and doing community service projects. As a Girl Scout, there are lots of ways to have fun, make friends, and do things that have a positive impact on your life, your school, and your world. The Girl Scout experience starts with Daisies (K-1) and goes through Ambassadors (11-12). Most people register in the early fall (but you can register anytime at <http://www.girlscoutsrv.org>), more locally <http://www.kinnicroixgirlscouts.com/>.
