

WESTSIDE FUN RUN 2017 Fall Fundraiser

GOAL: \$10,000-\$15,000

Friday, October 6, 2017

The Westside PTO is hosting a FUN RUN as our Fall Fundraiser. A FUN RUN is a healthy alternative for fundraising that promotes positive character qualities, healthy habits & having fun while supporting our school! Together, we hope to raise most of our PTO budget with this single event. We need your support in order to achieve the goals for this fundraiser.

On Friday, September 22nd a Kick-Off Assembly will take place. At this time, pledge packets will be sent home with the students at the end of the day for students to collect donations and return them to school.

ALL students will participate in the FUN RUN on Friday, October 6th. Students will partake in a warm up exercise then walk/run around the playground track for 30-40 minutes with various obstacles to overcome. Once their run time has expired, the students will enjoy a refreshing snack.
