

Kindergarten - 1st Grade Field Trips

Hudson Movie Theater

Join us for our first summer field trip at a local movie theater. The actual movie possibilities will be announced on the first day of Summer Kids Club 2018, when we are able to see what new, kid friendly movies are playing.

Red Wing Water Park and Colvill Park

A summer time favorite, this water park features a large zero-depth entry pool, body slide, tube slide, water play equipment, and a large green space with a sand pit area. Colvill park is home to a gigantic play area called Universal Playground. Built in 2009, it welcomes children of all abilities.

Como Zoo

Students will learn about animals in their environments while creating a connection with the animals, plants, and gardens. The mission statement of Como Park Zoo is “To inspire our public to value the presence of living things in our lives.” Students will learn about animals in their habitats as well as how to keep their world safe environmentally.

Tamarack Nature Center

We will have a 2 group rotation. One group will participate in this summer’s theme of “Play Unplugged”. Play Unplugged is a variety of old fashioned games played in a natural setting led by Tamarack Nature staff. The second group will explore Discovery Hollow. Play, dig, plant, learn, create and explore Ramsey County’s best nature play area! Conveniently located in Tamarack Nature Center’s backyard, Discovery Hollow lets you run wild in nature!

Play elements include:

- The Wood: Build a tree fort!
- The Overlook: Climb the cliffs.
- The Stream: Make a dam and learn how water flows.
- The Garden: Help grow plants, pull weeds and water.
- The Mud Table: Play in the mud!
- The Hobbit House: Crawl in and over the house like a hobbit!

Highland Park Aquatic Center

Highland Park Aquatic Center offers a two-story water slide, children's activity pool with age-appropriate features and prehistoric whale bone splash pad. Let’s go have some fun in the sun!

Monkey House

This huge 5,000 sq. foot indoor play center is new to our field trip list but sure to be a blast with colorful, inflatable obstacles for kids, bounce houses, slides and a foam pit. Please sign the waiver for Monkey House. [Monkey House Waiver](#)

Kidcreate Studio

Kidcreate Studio specializes in children's art classes and is an art studio just for kids. Your child will create fridge-worthy masterpieces while learning art concepts and experimenting with many different art materials. Coming to us at Summer Kids Club, it's sure to be a fun, creative time for all!

MN ZooMobile - Rainforest Theme

The Minnesota Zoomobile and its team of trained naturalists travel to schools and community events providing an educational and entertaining environmental experience to a variety of audiences. Zoomobile Naturalists use live animals, biological artifacts, theater techniques, storytelling, and audience participation to create a dynamic, personal, and fun program for all ages.

Battle Creek Waterworks Water Park

This water park is geared towards younger students, making it a great trip for our K-1's. It's features include a shallow zero-depth entry pool with interactive play equipment and a separate activity pool with lily pad walk, swim area and a three story twisting water slide.

Children's Museum

Join us where kids can explore and discover with hands-on experiments. This family friendly museum teaches students about the weather, water, how to be a leader, animals, science, and more. This recently updated museum provides a fun, hands-on, stimulating environment.

Dome Ranch *KINDERGARTEN ONLY*

Our Dome Ranch visit will include spending time with the animals, creating a nature craft, cooking/sampling great garden recipes, and enjoying a beautiful nature walk. Back to nature we go!

Padelford Riverboat Ride

We will be exploring and learning about the Mississippi River by taking a cruise aboard a Padelford Riverboat. Cruises depart from Harriet Island and travel up river through the heavily wooded Great River National Park. Spot bald eagles, herons, egrets, and falcons as we sail by on our cruise!

Wakanda Water Park

Located in Menomonie, this nearly 14,000 sq foot park offers a large pool with zero depth entry, water play equipment, 230 ft water slide, and a sand play area. It's a splashing good time!

Rad Zoo Reptile Show

The Rad Zoo is a Reptile & Amphibian Discovery Zoo that is coming to Summer Kids Club! They will include ten different kinds of fascinating reptiles and amphibians like frogs, a salamander, turtles, lizards, snakes, and even a small alligator! The RAD Zoo offers an opportunity for our students to touch some of their animals in a controlled setting.

Madison's Place Playground

The 16,000 square foot all inclusive playground offers sun shade covered play decks, swings, and sensory play equipment. The splash pad is a fun place to cool off on a sunny day!

New Richmond Splash Pad

The Centre Splash Pad is an outdoor play area with a variety of sprinklers and interactive water features. Another great way to stay cool on those hot summer days!

All Around Town - Area Parks

We will be enjoying our local parks and staying closer to home. A day to relax a little since we will have 3 more exciting, fun filled field trips this week. A picnic lunch and enjoying playing on the playground, group games, and hiking will fill up our day!

St. Paul Saints Game

Take me out to the ballgame, a St. Paul Saints game that is! Enjoy going to see this professional American baseball team at their new stadium. Batters up!!

A LIMITED AMOUNT OF TICKETS WILL BE AVAILABLE

Elm Creek Park

Remember the fun of playing on a playground? Climbing, sliding, swinging higher and higher. Three Rivers has multiple areas designed for varying ages and abilities where toddlers to teens can let their imagination run wild. Monkey business never sounded so fun.

Woodridge Park Playground

Another large, new inclusive playground, Woodridge Playground offers many different structures and activities to keep us busy! A picnic lunch and lots of time to enjoy this playground is a wonderful way to wrap up another Kids Club summer!
