We focus on creating a more accepting environment, specifically for students in the LGBTQ+ community. All are invited to our all-inclusive group which is lead by students and advised by Mrs. Nickleski and Ms. Bowers. If you would like more information or to join the group please let Mrs. Nickleski or Ms. Bowers know so they can add you to the MMS GSA Schoology page. We'll be sharing the link for the Google meet with all members since 6th grade students will be meeting in person but our 7th and 8th grade students will be attending virtually.
