

FORWARD, the River Falls Public Schools Education Foundation is again promoting its unique way of honoring special friends and events with "Pay It Forward" cards. "Pay It FORWARD" cards will be available mid April. Community members can donate to FORWARD on behalf of a teacher, friend or colleague. In return, they receive a commemorative "Pay it FORWARD" card for the honoree that acknowledges that a gift has been made in their name to FORWARD. Honoree names will be included on the FORWARD website and newsletter.

FORWARD, a non-profit organization provides grant opportunities for staff and students through the generosity of alumni, parents and community members. Since 2012, \$85,000 has been awarded to staff-submitted proposals to support innovative programs in our schools.

Contributions of varying amounts can be made at any public school office, Selah Vie (formerly Dish and the Spoon) Bistro or by making a donation on the FORWARD Foundation website <http://www.forwardrf.org/>. If you donate online, FORWARD will send the card directly to the honoree on your behalf. Request a card in the "comment" box and provide the honoree's mailing address.

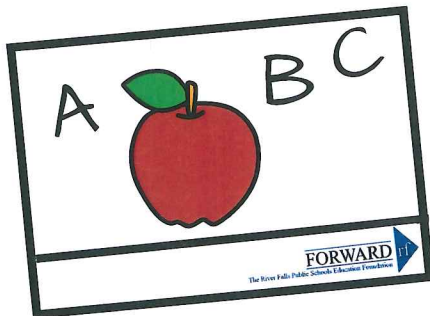

Consider this gift for education to recognize retirements, graduations, birthdays, and other special events along with acknowledgements of appreciation for special people. It is a gift with long-term benefits!
